

From the Ministry of Environment, Urbanization and Climate Change
**REGULATION ON AMENDMENTS TO THE REGULATION ON REGISTRATION,
EVALUATION, AUTHORISATION AND RESTRICTION OF CHEMICALS**

REGULATION

ARTICLE 1 - Subparagraph (e) of the second paragraph of Article 2 of the Turkish Regulation on Registration, Evaluation, Authorisation and Restriction of Chemicals (KKDIK) published in the Official Gazette dated 23/6/2017 and numbered 30105 (duplicate) has been amended as follows.

“e) Substances and mixtures imported for use by the Central Bank of the Republic of Turkiye, and substances and mixtures manufactured or imported for defense purposes.”

ARTICLE 2 - The following paragraph has been added to Article 12 of the same Regulation.

“(5) As a result of the studies to be carried out together with the related institutions and organizations and the Union of Chambers and Commodity Exchanges of Turkiye, issues regarding the joint registration process, including leader selection and data and cost-sharing, will be carried out within the framework of the procedures and principles to be published by the Ministry.”

ARTICLE 3 - The phrase “31/12/2023” in the first paragraphs of Articles 24 and 25 of the same Regulation has been amended to “31/12/2030”; and the phrase “31/12/2025” in the third paragraph of Article 25 has been amended to “31/12/2032”.

ARTICLE 4 - Article 39 of the same Regulation has been amended as follows.

“ARTICLE 39 - (1) The draft decision shall be prepared by the Ministry within the two years following the expiration of the periods specified in the same paragraph for all registration dossiers which include test proposals and are received by the deadlines determined in accordance with the tonnage amount under the first paragraph of provisional Article 2 to fulfil the information requirements specified in Annex-IX and Annex-X in accordance with the third paragraph of Article 36.”

ARTICLE 5 - The following article has been added to come after Article 65 of the same Regulation.

“Procedures and Principles

ARTICLE 65/A - (1) The procedures and principles regarding the registrations and data provision within the scope of the Regulation shall be determined by the Ministry.”

ARTICLE 6 - The phrase “to the date 31/12/2020” in the provisional Article 1 of the same Regulation has been amended to “to the periods specified in the procedures and principles to be published by the Ministry”.

ARTICLE 7 - The first paragraph of the provisional Article 2 of the same Regulation has been amended as follows.

“(1) The provisions of Article 7 and/or 8 or 17 or 18 of the Regulation;

a) shall apply until 31/12/2026 for substances that provide the following conditions;

1) substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 1000 tonnes or more,

2) substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 100 tonnes or more, and that are within the Aquatic Acute 1 and/or Aquatic Chronic 1 (H400, H410) hazard categories according to the Regulation on the Classification, Labelling, and Packaging of Substances and Mixtures,

3) substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 1 tonne or more, and that are within the Carcinogenic, Mutagenic, and/or Reprotoxic Category 1A or 1B hazard categories according to the Regulation on the Classification, Labelling, and Packaging of Substances and Mixtures.

b) without nullifying the period given in subparagraph (a) of this paragraph, until 31/12/2028 for substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 100 tonnes or more,

c) without nullifying the period given in subparagraph (a) and subparagraph (b) of this paragraph, until 31/12/2030 for substances manufactured or imported in their own form or in a mixture or in goods in an annual amount of 1 tonne or more.”

ARTICLE 8 - Subparagraph (a) of the first paragraph of Article 66 of the Regulation has been amended as follows and, subparagraph (b) has been added to the same article and other subparagraphs have been consolidated accordingly.

“a) Article 6 of the Regulation on the deadlines of the tonnage-dependent periods specified in the first paragraph of the Provisional Article 2 of this Regulation,”

b) Articles 40 to 44 and Articles 47 to 49 on the date of 31/12/2026; Articles 45 and 46, and Articles 50 to 56 on the date of 31/12/2028”

ARTICLE 9 - This Regulation shall enter into force on the date of its publication.

ARTICLE 10 - The provisions of this Regulation shall be enforced by the Minister of Environment, Urbanization, and Climate Change.
